Donation & Sponsorship

Policy/Criteria

Community Support

Since 1905 MTC and its employees have been committed to supporting the communities we serve. Every year MTC allocates funds to support local, non-profit community projects and organizations. MTC regards partnerships with nonprofit organizations as an important investment in the future of communities we serve and the vitality of our company.

Over time, MTC has participated in and assisted with many community projects and festivals, educational programs, youth sports activities, nonprofit organizations and much more. To achieve the greatest benefit from available funding, we focus on events or programs that directly impact the communities we serve, specifically those organizations and activities that encourage youth participation, community spirit, cooperation and education.

This year, to make the process of requesting and disbursing donation clearer and easier for everyone involved, MTC is asking you to fill out an application form.

Who May Apply

Tax-exempt, nonprofit organizations are eligible. Contributions are not generally given out for travel or travel-related expenses; to individuals; to organizations based outside of MTC service areas; to organizations that discriminate on the basis of age, sex, race, color or national origin.
